SUPER BLOOD WOLF FULL MOON LUNAR ECLIPSE & USA PRESIDENT TRUMP

SUPER BLOOD WOLF FULL MOON LUNAR ECLIPSE & USA PRESIDENT TRUMP

1. The Eclipse Moon takes place at 11:41 EST January 20, 2019 in the sign of Leo the Lion ending in early hours on Monday January 21st when the Sun Enters Aquarius. Family values are tested, passing something of value to one's descendants. Since this is on the cusp of Cancer that sign too will feel the intensity of emotional needs and values. Emotional instincts can be your barometer at this turning point in history.
2. It is visible from the UK, North America, South America and parts of West and North Europe. It will pass over Washington DC; the State of Liberty and our nation of America will see it in totality. We will see the impact of true independence written in the original Constitution of 1776 going back to its original intent. We become the true patriots of freedom.

3. The January moon is known as the Wolf moon making this eclipse the Super Blood Wolf Moon - Wolves howl just before mating season which begins in February so keep your loved ones close to your heart. We are a family of unity.
4. A total lunar eclipse also has a spiritual connection to manifest your higher-self called the Great Attractor of Cosmic Awakening to remember who you are.
5. Why this month's eclipse is called a Super Blood Moon is because it appears larger to the eye and in the sky ending a series of Blood Moons heralding in sudden shifts; different ideas bring closure of the old way of social and personal transformation. This is the fifth Blood Moon bringing the 5th dimension. Leo is the fifth sign of the zodiac.
6. President Trump the Whitehouse and USA significance. He was born under a Blood Moon stamped with a destiny to fulfill. Leo is his Ascendant at the time of his birth close to our USA Sun sign with a volcanic purge. A new government, a new environment, a new way of thinking and a newly exposed request from officials all over the world. during a lunar eclipse, meaning it’s a good time to examine your close relationships.

The Full Blood Moon eclipse will appear over the UK in the early morning hours of Monday, January 21. On this day, the Full Moon will travel through the fifth astrological sign in the constellation Leo the Lion. This is the Ascendant sign of President Trump making it very personal and close to our USA Sun sign. On the same day, expect the Sun to enter the constellation Aquarius, The New Age is here after a long journey of hard knocks, we are facing an open door of opportunity or denial. Eclipses bring endings and new beginnings, a volcanic purge. A new government, a new environment, a new way of thinking and a newly exposed request from officials all over the world. This is the last Blood Moon Eclipse of a series of four which began in April 2014 ending on July 27, 2018. The upcoming eclipse is the fifth moon of “change” or the 5th dimension?

The sign of Pisces is the last sign of the zodiac purging the unconscious emotions of past lives long held, in order to release what no longer serves us. Our primary relationships will come up for cleansing and how you handled this past six months since the previous solar eclipse.

Therefore, we just really need to sit down quietly and listen to what comes up, for our feelings are our intuitive barometer. This is also the end sign in Chinese Astrology sign of the Pig, again 2019 is all about preparing for change. Its energy explodes, the Wands splitting in several directions all at once. It is unclear what is happening and where it all will end. Drama, mayhem and chaos will rule the day. Expect the unexpected for that is the only thing that can be relied on... Fire likes to travel and expand. It does not like to be held back or restricted. It is a positive forward-flowing energy that thrives on momentum and enthusiasm.” ~
